2 Protective Footwear

Item Name Lace up Leather Shoe with Slip resistant PU sole

Item Code EI-54599

Pure Soft Leather, Softy Upper with Leather DD Lining, and Polyurethane Sole. (Stuck on Process sole, which is strong & durable), fine finish in comparison to stuck on Sole.

Material upper: wrinkle free leather

Outsole: PU sole with slip resistant

Info: Good abrasion resistance and non-slip shoes

lining: leather

Season: This shoe suitable for all seasons like spring, summer, autumn, winter

Size: All sizes are available

Item Name Lace up Leather Shoe with Slip resistant PU sole

Item Code EI-54699

Pure Soft Leather, Softy Upper with Leather DD Lining, and Polyurethane Sole. (Stuck on Process sole, which is strong & durable), fine finish in comparison to stuck on Sole.

Material upper: wrinkle free leather

Outsole: PU sole with slip resistant

Info: Good abrasion resistance and non-slip shoes

lining: leather

Season: This shoe suitable for all seasons like spring, summer, autumn, winter

Size: All sizes are available

Item Name Lace up Leather Shoe with PU sole

Item Code EI-54799

Material upper: wrinkle free pure leather

Outsole: Injected PU sole with slip resistant

Info: Good abrasion resistance and non-slip shoes

Lining: Leather

Season: This shoe suitable for all seasons like spring, summer, autumn, winter

Item description: Pure Leather Softy Upper with Leather DD Lining, and Polyurethane Injected Sole, which is equally strong & durable.

Fine finish with latest model

Item Name Safety Shoes

Item Code EI-54899

Safety Shoes has high bonding upper, high quality leather board insole, Nylon thread, Imported T. P. Ping pong effect Toe Puff & Counter (Stiff), 24 inch black Nylon Shoe Lace Round, sole color single density black.

Manufacturing Process Types: PU Stuck-on & Direct Injection Process

Upper leather: Genuine Buff (Rambler)

Info: Antiskid, oil resistance

Toe Cap: 100 Jules, Type - II

Season: This sole suitable for all seasons like spring, summer, autumn, winter

Standards: IS:15298, DGMS approved

Size: All sizes are available

Item Name Gumboot

Item Code EI-1608

Gumboots` primary use is as protective footwear. In inclement weather, many people wear gumboots to protect their feet from rain. In places where workers process chemicals or work in flooded areas, gumboots are a staple for protecting against chemicals and infected waters.

Features:

- Made from 100% PVC material
- Leak proof
- Better grip and anti-slip
- Great comfort level
- Durable life

Size: All sizes are available

Item Name Lace up Leather Shoe with PU Flat sole

Item Code ESS-3201

Material upper: wrinkle free pure leather

Outsole: PU sole with slip resistant

Info: Good abrasion resistance and non-slip shoes

Lining: Leather

Season: This shoe suitable for all seasons like spring, summer, autumn, winter

Item description: Leather Softy Upper with Leather DD Lining, and Polyurethane injected Sole, which is equally strong & durable.

Item Name Safety Helmet

Item Code EI-1202R

Industrial Safety Helmet with four point head suspension with brushed cloth on foam of sweat band and adjustable chin strap

Material : HDPE (Impact & UV Resistance)

Standards : ISI Approved confirming to IS 2925

CE Approved confirming to EN-397-1995

Model : Manual type

Color's Available: Fluorescent colors White, Yellow, Blue, Green, Grey, Orange, Violet & Red

Item Name Safety Helmet

Item Code EI-1202V

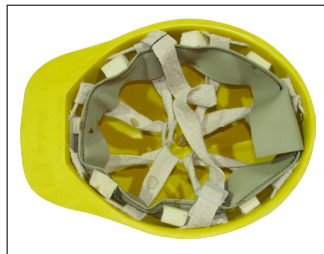

Industrial Safety Helmet with four point head suspension with brushed cloth on foam of sweat band and adjustable chin strap

Material : HDPE (Impact & UV Resistance)

Standards : ISI Approved confirming to IS 2925

CE Approved confirming to EN-397-1995

Model : Manual type

Item Name Safety Helmet

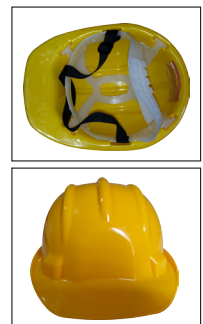

Item Code SH-1205

Industrial Safety Helmet with cotton fitting with foam suspension. Safety Helmet is suitable for general use in industry for protection of the upper part of the wearers head. It has the features of shock absorption, resistance to penetration, lateral Stiffness, ignition by flame and electrical insulation.

Material : Impact & Fiber glass

Standards : ISI Marked & DGMS Approved

Model : Manual type **Color's Available**: White, Yellow, Blue

Item Name Safety Helmet

Item Code EI-MUDCAT

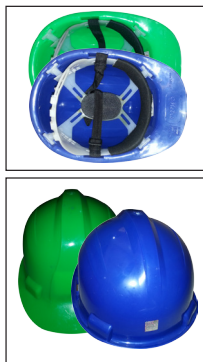

Industrial Safety Helmet with four point plastic suspension with light weight, sweat band and adjustable chin strap. Adaptability with earmuff & visor, provides a high level of protection against multiple hazards.

Material : HDPE & UV stabilizer

Standards : IS:2925 CM/L No. 5631161 and approved by CIMFR (Dhanbad), DGMS certified

Model : Manual Head Band

Characteristics : Shock absorption, Penetration, Flammability resistance, Electrical, Heat & Water resistance

Item Name Safety Helmet

Item Code EI-1202G, EI-1202B

Industrial Safety Helmet with four point head suspension with brushed cloth on foam of sweat band and adjustable chin strap

Material : HDPE (Impact & UV Resistance)

Standards : ISI Approved confirming to IS 2925

CE Approved confirming to EN-397-1995

Model : Manual type

Color's Available: Blue, Green

Item Name Safety Helmet

Item Code EI-COBRA

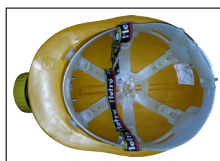

Industrial Safety Helmet with four point plastic suspension with light weight, sweat band and adjustable chin strap. Adaptability with earmuff & visor, provides a high level of protection against multiple hazards.

Material : HDPE & UV stabilizer

Standards : IS:2925 CM/L No. 5631161 and approved by CIMFR (Dhanbad), DGMS certified

Model : Ratchet Head Band

Characteristics : Shock absorption, Penetration, Flammability resistance, Electrical, Heat & Water resistance

Item Name Light Safety Helmet

Item Code EI-1207

Industrial Safety Helmet with cotton fitting with foam suspension.

Material : HDPE (Impact & UV Resistance)

Standards : ISI Approved confirming to IS 2925, DGMS Approved

Model : Manual type

Colors : White, Yellow, Blue

Item Name Fire Blanket

Item Code EIX107

Fire Blanket is a safety device designed to extinguish small incipient (starting) fires.

- Consist of a woven fibreglass fire resistant fabric.
- Covers and smothers flames.
- Ideal for personal protection.
- A fast and efficient way to control the fire
- Can only be used once
- Ideal for use in: kitchen, hotel, autos, caravan & boat.
- EN CE approved

Material: 100% Fiberglass.

Item Name Safety Nose Mask

Item Code EI-2211

Nose mask is fabricated from quality material with high filtering capacity and low breathing resistance. Safety Nose Mask is used for protection from dust, fumes, odour etc.

Material : Cotton which is a washable fabric

Features : Light weight | Fine quality | Softness | Skin friendliness | Compactness | Comfortability | Cost effectiveness

Item Name EIS 01 HC CLEAR GLASSES

Item Code EHMP401

- Frameless Wraparound Design
- Unrestricted Wide Vision
- 99.9% UV Protected
- Scratch & Impact Resistant
- Poly Carbonate Hard Coated Lens
- Optical Class 1
- Available Lens Option : Clear & Smoked
- Conforms to EN – 166. Meet Ansi Z 87.1.

Item Name EIS 01 HC SMOKE GLASSES

Item Code EHMP402

- Frameless Wraparound Design
- Unrestricted Wide Vision
- 99.9% UV Protected
- Scratch & Impact Resistant
- Poly Carbonate Hard Coated Lens
- Optical Class 1
- Available Lens Option : Clear & Smoked
- Conforms to EN – 166. Meet Ansi Z 87.1.

Item Name EIS 02 HC CLEAR GLASSES

Item Code EHMP403

- 9.75 base curved Lens provides the most panoramic view without Obstruction
- Soft & Non-Slip Rubber temple tips for comfortable fit
- 99.9% UV Protected
- Scratch & Impact Resistant
- Poly Carbonate Hard Coated Lens
- Optical Class 1
- Available Lens Option : Clear & Smoked
- Conforms to EN – 166. Meet Ansi Z 87.1.

Item Name EIS 02 HC SMOKE GLASSES

Item Code EHMP404

- 9.75 base curved Lens provides the most panoramic view without Obstruction
- Soft & Non-Slip Rubber temple tips for comfortable fit
- 99.9% UV Protected
- Scratch & Impact Resistant
- Poly Carbonate Hard Coated Lens
- Optical Class 1
- Available Lens Option : Clear & Smoked
- Conforms to EN – 166. Meet Ansi Z 87.1.

Item Name EIS 03 HC CLEAR TEMPLE ADJUSTMENT GLASSES

Item Code EHMP405

- Stylist Safety Spectacle
- Length Adjustable Temples
- 7-Base Wide Vision Lens
- 99.9% UV Protected
- Scratch & Impact Resistant
- Poly Carbonate
- Hard Coated Lens
- Optically Corrected
- Available Lens Option : Clear & Smoked
- Conforms to EN – 166. Meet Ansi Z 87.1.

Item Name EIS 03 HC SMOKE TEMPLE ADJUSTMENT GLASSES

Item Code EHMP406

- Stylist Safety Spectacle
- Length Adjustable Temples
- 7-Base Wide Vision Lens
- 99.9% UV Protected
- Scratch & Impact Resistant
- Poly Carbonate
- Hard Coated Lens
- Optically Corrected
- Available Lens Option : Clear & Smoked
- Conforms to EN – 166. Meet Ansi Z 87.1.

Item Name EIS 04 HC CLEAR

Item Code EHMP407

- Lightweight Frameless Designed
- Dual Injected Soft Temple Tips
- Finger Type Soft Nose Piece
- 9.75 Base Curved Lens
- 99.9% UV Protected
- Scratch & Impact Resistant Poly Carbonate
- Hard Coated Lens
- Available Lens Option: Clear & Smoked
- Conforms to EN – 166. Meet Ansi Z 87.1.

Item Name EIS 04 HC SMOKE GLASSES

Item Code EHMP408

- Lightweight Frameless Designed
- Dual Injected Soft Temple Tips
- Finger Type Soft Nose Piece
- 9.75 Base Curved Lens
- 99.9% UV Protected
- Scratch & Impact Resistant Poly Carbonate
- Hard Coated Lens
- Available Lens Option : Clear & Smoked
- Conforms to EN – 166. Meet Ansi Z 87.1.

Item Name EIS 05 HC CLEAR GLASSES

Item Code EHMP409

- Safety Eyewear - Fit Over Prescription Glasses
- Angle & Length Adjustable Temple
- Universal Fit Nose Bridge
- Built In Brow Guard
- Soft Temple Tips
- 99.9% UV Protected
- Scratch & Impact Resistant Poly Carbonate
- Hard Coated Lens
- Conforms to EN – 166. Meet Ansi Z 87.1.

Item Name EIS 06 HC CLEAR GOGGLE

Item Code EHMP410

- Splash & Dust Resistant Goggle
- Can Be Used Over Prescription Glasses
- Universal Fit Nose Bridge
- Indirect Vents
- Fully Adjustable Elastic Band
- 99.9% UV Protected
- Scratch & Impact Resistant Poly Carbonate
- Hard Coated Lens
- Conforms to EN – 166. Meet Ansi Z 87.1.

Item Name Nylon rope

Item Code EI-2902

Nylon rope is strong and durable rope noted for its elasticity. Nylon rope offers good resistance to abrasion, and is also resistant to most acids and alkalis. Nylon is ideal for use as bow-to-stern towing hawsers, surge lines, mountain climbing ropes, safety lines, lariat ropes, boat falls, drop hammer ropes, target tow rope, fishing ropes and industrial slings.

Material : Nylon

Size : 14MM

Standard : ISI

Color's Available : White & Red

Item Name EIS 07 HC CLEAR AF GOGGLE

Item Code EHMP411

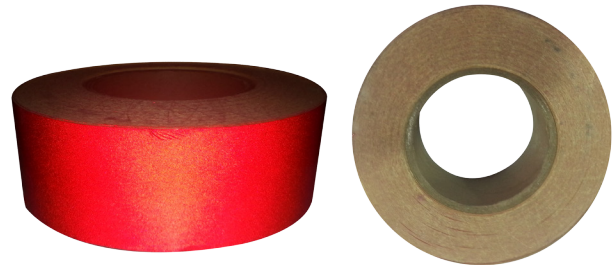

- Splash & Dust Resistant Goggle
- Universal Fit Nose Bridge
- Indirect Vents
- Fully Adjustable Elastic Band
- 99.9% UV Protected
- Hard Coated Anti-Fog Lens
- Conforms to EN – 166. Meet Ansi Z 87.1.

Item Name EIS 08 HC CLEAR GOGGLE

Item Code EHMP412

- Direct Vent Perforated Goggle
- Scratch & Impact Resistant Poly Carbonate
- Hard Coated Lens
- Splash & Dust Resistant
- Universal Fit Nose Bridge
- Fully Adjustable Elastic Band
- 99.9% UV Protected
- Conforms to EN – 166. Meet Ansi Z 87.1.

Item Name Reflective tape

Item Code EI-2501

Reflective tape is used in Car park bollards, trucks, trailers, industrial machines, construction sites, work place safety, correctional facilities, awareness of civil hazards, recreational facilities, general purpose use.

Physical Properties : Water resistant, UV stable, color fast, strong adhesion

Color's : White, Yellow, Blue & Red

Item Name Polypropylene Rope

Item Code EI-2901

PP Rope used for various purposes like tying of truck & barrier, ship docking, alongside towing & tie-downs / hauling etc.

Size : 12MM

Material : Polypropylene

Features : Light weight, long lasting, high breaking strength, inert to chemical and controlled elongation

Standard : ISI

Item Name PVC Dotted Cotton Hand Gloves

Item Code EI-1302

PVC Dotted Hand Gloves suitable to use for oily or slippery materials handling in Industries.

Material : 100% cotton gloves , One side dotted

Weight available : 600, 650 & 720 gmsper dozen

Features :

- Made from superior quality knitted cotton with PVC dots
- One side dots as well as double side dots are available
- Perfect grip
- Most comfortable and durable
- Available in different colors

Size : Medium and Large

Item Name Knitted Cotton Hand Gloves

Item Code EI-1303

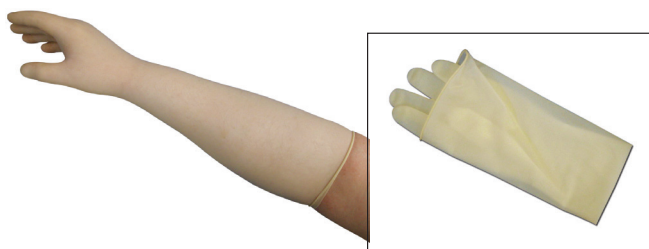

Knitted Cotton Hand Gloves used in Automobile Industries. used in automobile, mining, packaging, fishing, handling and other general purposes. Fabricated using natural cotton fiber, these gloves are highly comfortable and cool to wear in all weather.

Material : 100% cotton knitting gloves

Weight available : 420 & 600 gmsper dozen

Features :

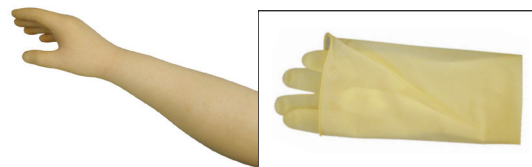

Eliminates irritation despite long period of wear and allows the circulation of air reducing perspiration Seamless knit construction and close flexible fit increases comfort, dexterity, durability Ambidextrous fits either hand.

Item Name Latex Examination Gloves
Long Cuff Elbow Length Powder FREE

Item Code EI-21352

- Made of Natural Latex, packed in paper wallet then to a pouch.
- EO Sterile Latex Examination Gloves powder FREE
- Pouch Size 15 x 36 cms, Peel down to open
- Length (+/- 5mm) 450mm
- Glove Sizes: Small, Medium & Large
- Beaded cuff for secure fit
- Bisque Finish
- Ambidextrous to fit either hands
- Packing : 1 pair gloves in a paper wallet, then to a pouch, 25 Pairs in 1 Inner Box, 4 Inner Boxes (100 Pairs) in 1 Master Shipper Carton
- Widely used in hospital, food , electronic factory and laboratory etc.

Item Name Latex Examination Gloves Long Cuff Elbow Length Powdered

Item Code EI-21362

- Made of Natural Latex, packed in paper wallet then to a pouch
- EO Sterile Latex Examination Gloves powdered
- Pouch Size 15 x 36 cms, Peel down to open
- Length (+/- 5mm) 450mm
- Glove Sizes: Small, Medium & Large
- Confirm to ASTM / EN Specs
- Bisque Finish
- Ambidextrous to fit either hands
- Beaded cuff for secure fit
- Packing : 1 pair gloves in a paper wallet, then to a pouch, 25 Pairs in 1 Inner Box , 4 Inner Boxes (100 Pairs) in 1 Master Shipper Carton
- Widely used in hospital, food, electronic factory and laboratory etc.

Item Name Latex Sterile Surgical Gloves Long Cuff Powder FREE

Item Code EI-21372

- Made of Natural Latex, packed in paper wallet then to a pouch
- EO Sterile Latex Surgical Gloves powdered
- Pouch Size 15 x 30 cms, Peel down to open
- Length (+/- 5mm) 400mm
- Glove Sizes: 7.0, 7.5, 8.0, 8.5
- Micro rough surface for extra grip
- Beaded cuff for secure fit
- Confirm to ASTM / EN Specs
- Packing : 1 pair gloves in a paper wallet, then to a pouch 50 Pairs in 1 Inner Box , 4 Inner Boxes (200 Pairs) in 1 Master Shipper Carton
- Surgical gloves are personal protection equipment designed to protect clinicians in operating room environments. The primary purpose of surgical gloves is to act as a protective barrier for surgeons and nurses to prevent possible transmission of diseases or pathogens during procedures while working with surgical instruments.

Item Name Latex Examination Gloves

Item Code EIM4566

Features:

- Available in sizes ranging from 6-8.5 with 100 pair box
- Extremely reliable and Comfort fit
- Natural latex colour with smooth finish
- Sterile and Non sterile Pre-powdered and Powder free

Standards: CE, EN and ISO standards

Item Description: Latex Examination Gloves are extensively used for

varied medical and surgical purposes. Manufactured from good quality rubber, these examination gloves are known for their safety and sterility. Our Powder and Powder Free Latex Examination Gloves are ideal for total hygiene and assure safety from harmful toxic and chemicals.

Item Name Non Sterile Nitrile Gloves Long Cuff Powder FREE

Item Code EI-21392

- Non Sterile Nitrile Gloves, Long Cuff Powder FREE
- Packed in paper wallet then to a pouch.
- Dispenser Boxes
- Length (+/- 5mm) 400mm
- Glove Sizes: Small, Medium & Large
- Confirm to ASTM / EN Specs
- Excellent abrasion and puncture resistance
- High resistance to a wide range of chemicals to hydrocarbons, Oils and fats
- Textured at fingertips for superior grip
- Beaded cuffs prevent roll down
- Packing : 50 Pieces in 1 Box , 10 Dispenser Boxes (500 Pieces) in 1 Master Shipper Carton
- Procedures involving high risk of exposure to blood-borne virus and where high barrier protection is needed. They provide a strong barrier of protection and resist chemicals like solvents, greases and oils. They minimize the chances of irritation or allergic reactions.

Item Name Disposable Face Mask - 3PLY

Item Code EIB2285

Features:

- Non-Woven Meterail
- Sterile Face Mask 3PLY
- Lightweight
- Elastic loops fit around ears
- Fluid resistant and disposable

Material: Non Woven, Sterile Face Mask 3 PLY

Standards: CE Certified, EN ISO 9001:2008 certified Company - TUV Austria

Packing : Bulk pack of 50 PCS

Packing : Bulk pack of 50 Pcs, 50 Pcs per one Polybag 60 Polybag per carton, (3000 Pcs / Carton)

Item Description :

Disposable Face Mask is used for facial protection against air borne infections. Bacterial filter is infused with this range of disposable face mask to ensure optimum level of security through the infectious environment. It is available in Universal sizes.

Item Name Lab Coat / Visitors Gown (COAT)

Item Code EIB2288

Standards: CE Certified

EN ISO 9001:2008 certified Company - TUV Austria

Color's Available: White

Size: 52 Inches length, 55 inches width
(Free size with Pocket)

Item Description :

Lab Coat/Visitors Coat is made of Non-Woven material and is comfortable to wear and has elastic cuffs that provide better movement. Lab coat / Visitors coat is extensively used in pharmaceutical industries. The offered coat is water repellent, which is offered in both, ETO sterile and non-sterile forms.

Item Name Latex Sterile Surgical Gloves - Powder FREE

Item Code EI-22762

- Made of Natural Latex, packed in paper wallet then to a pouch
- EO Sterile Latex Surgical Gloves powder FREE
- Length (+/- 5mm) 290mm
- Pouch Size 13 x 27 cms, Peel down to open
- Glove Sizes: 6.0, 6.5, 7.0, 7.5, 8.0, 8.5, 9.0
- Conrm to ASTM / EN Specs
- Micro rough surface for extra grip
- Ambidextrous to t either hands
- Beaded cu for secure
- Packing : 1 pair gloves in a paper wallet, then to a pouch 50 Pairs in 1 Inner Box, 8 Inner Boxes (400 Pairs) in 1 Master Shipper Carton
- Surgical gloves are personal protection equipment designed to protect clinicians in operating room environments. The primary purpose of surgical gloves is to act as a protective barrier for surgeons and nurses to prevent possible transmission of diseases or pathogens during procedures while working with surgical instruments.

Item Name Disposable Bouffant Cap

Item Code EIB2283

Material : 25-65/m2 spun bonded Polypropylene

Standards : CE Certified

EN ISO 9001:2008 certified Company - TUV Austria

Color : White / blue / green / red / pink / yellow / grey / orange

Size : S - L

Packing : Bulk pack of 50 Pcs, 50 Pcs per one polybag
24 polybag per carton, (1200 pcs/Carton) 5kgs

Item Description :

This Non-Woven disposable cap is widely used in healthcare industries by Doctors, Nurses and Assistants. It is Light weight, comfortable to wear, Elasticated, durability, wear & tear resistance and perfect finish.

Item Name Disposable Gown - Laminated Non-Woven

Item Code EIB2293

Features:

- Cool & Comfortable Gown
- Suitable for Male & Female
- Knitted Elastic cuffs
- Water Proof
- Impervious to any liquid full length

Standards: CE Certified

EN ISO 9001:2008 certified Company - TUV Austria

Color's Available: Blue Color

Item Description :

Disposable Gowns are useful for doctors, surgeons, nurses as well as other lab assistants in hospitals. These Gowns are worn by medical professionals basically while working in operation theatres and Intensive care units in the Hospitals. These are manufactured using superior quality non-woven fabric, which is non-allergic and non-toxic in nature providing better protection against infections.

Item Name Hi-Visibility Jacket

Item Code EI-1402

Safety vests are used by traffic police, workers at road work, construction, rail work, boating safety, tow truck operators in the port, Container terminal etc., to make them more visible. Use of fluorescent colors makes these jackets highly visible from long distance

Material :

- 100% Polyester
- 120g knitting fabric
- Tape is sewed on the vest
- Velcro fastening

Standard : EN-471 (CE Approved)

Tape size : 2 Inch

Color's Available : Fabric color : Orange, Yellow & Red

Item Name Road Safety Cone

Item Code EI-1504

Imported Cone with rubber base. Traffic cones are typically used outdoors during road work, traffic redirection, advance warning of hazards, dangers and prevention of traffic. Traffic cones are also used to mark where children are playing, to block off an area. For night time use, low-light traffic cones are usually fitted with a retro reflective sleeve to increase visibility.

Base Size : 350x350mm

Height : 750 mm

Weight : 2.5 kg approx

Reflective Sleeve : 4 Inch

Material : HDPE, RUBBER

Item Name Road Safety Cone

Item Code EI-1507

Road Safety Cone with heavy RUBBER base. Traffic cones are typically used outdoors during road work, traffic redirection, advance warning of hazards, dangers and prevention of traffic. Traffic cones are also used to mark where children are playing, to block off an area. For night time use, low-light traffic cones are usually fitted with a retro reflective sleeve to increase visibility.

Base Size : 350x350mm

Height : 750 mm

Weight : 3.30 kg approx

Reflective Sleeve : 4 Inch

Material : LDPE

East India Industrial Supplies Pvt Ltd is based in Hyderabad and the prime source provider and importer and exporter of health, hygiene, safety and clean room products. It is a trusted brand and holds a dominant position in this domain due to its belief to offer high quality, secured, protective and comfortable products of international standards. It is mainly due to the constant effort to meet the requirements of the customers by offering them CE and ISO certified products. As its main aim is to offer strong attention over the requirements of the customers and to serve them most appropriate products based on their actual requirement. To fulfill such requirements highly reputed and certified manufacturers are selected meticulously from various regions. This is the reason entire product range is highly preferred by the customers.

Another striking feature of East India Industrial Supplies Pvt Ltd is to offer the "quality products at a competitive price" as customer act as the prime constraint of the organization. This helps East India Industrial Supplies to build and maintain a long-term relationship with the customers, and retaining the trust and loyalty of the customers.

- Wide range of products: East India Industrial Supplies Pvt Ltd offers numerous types of health, safety, hygiene and clean room products of excellent quality.
- Certified quality products: East India Industrial Supplies Pvt Ltd aims to offer CE and ISO certified products to maintain reliability.
- Competitive rates: East India Industrial Supplies Pvt Ltd intends to present quality products at a competitive price.
- Constant improvement: East India Industrial Supplies Pvt Ltd is always in a mode of improvement to offer uncompromising quality standards, unparalleled service and individual attention to its customers.
- Customer centric: East India Industrial Supplies Pvt Ltd always tries to meet the requirements of the customers by presenting them quality products at competitive price.
